

## Scrimmage Rules

1. Divide kids into an even number of teams based upon the number of coaches. Team sizes can vary—it's ok to have teams with only five or six kids on a team.
2. When creating the diamond, the bases should be 50 feet apart. Estimate the distance.
3. All players will bat in each half inning.
4. No set number of innings. Keep playing until time is up.
5. Outs will be recorded, however let the runners remain on base and continue to run the bases as normal.
6. Each batter is allowed as many swings as required in order to put the ball into play fair.
